Attention GPS Users
Using a GPS or online mapping program can result in driving impassable mountain roads. If you choose to use technology to plan your trip, use Tube World’s address as your destination. This will bring you to the base of Fie Top Road, four miles from the Cataloochee Ski Area. Also, Google Maps has been updated with the correct route if you wish to use the ski area’s address.

Cataloochee Ski Area
Located high in the Great Smoky Mountains of Western North Carolina, our elevation and state of the art snowmaking make us one of the nation’s first mountains to open each season. We offer everything you need for a great winter vacation.

Cat Cage Terrain Park
For skiers and snowboarders looking for a thrill, our Cat Cage Terrain Park delivers with rails, boxes, jibs and jumps. Our terrain park staff makes sure all features are freshly groomed throughout the day and night.

Cataloochee Ski & Sports
Cataloochee Ski & Sports Shop in Maggie Valley allows you to rent your ski or snowboard equipment at a discounted rate, purchase your lift ticket and get everything you need for a day on the slopes. Bib, jacket and helmet rentals will also be available at our new shop as well. Best of all, at our shop you can pick up everything you need the night before and be ready to go straight to the snow on the day you plan to ski or snowboard with no waiting! The sports shop sells goggles, gloves, hats, sunglasses and other accessories to complete your visit.

Drones Policy
Unmanned aerial drone use by guests or the media is prohibited without prior written approval of Cataloochee Ski Area. Visit www.cataloochee.com for more information.

Slow Skiing Areas
These specified areas have more slow skiers or entry level skiers than other areas. Skiers must reduce their speed in these areas to decrease the risk of injury for all. Absolutely no jumping is allowed. If you see an accident on the slopes, alert the ski patrol or any mountain employee. Remember to accurately describe the location and nature of the situation. If you are involved in an accident, stay at the scene until the Ski Patrol arrives and gathers necessary information.

Trail Ratings
All skiers should be advised that a green circle, blue square or black diamond trail at Cataloochee is not necessarily the same as a similarly rated trail at another area. This system is a relative system, valid only at Cataloochee. Skiers should work their way up, beginning with the easiest trail, no matter what level their ability level may be, until they are familiar with the trails at Cataloochee. Skiing has categories of inherent risks that skiers MUST ASSUME if they participate in the sport. They include, but are not limited to, variations in snow and terrain, ice, rocks and forest growth (above or below surface), bare spots, towers, utility lines and their components, snow making and snow grooming equipment and collisions.

Read and heed all posted signs. If you cannot accept the inherent risks of the sport, please do not purchase a ticket at this area. Purchase of a lift ticket does not imply that you can use all lifts and ski all trails. All guests must have valid lift ticket to be on slopes. No general public on lift without skis or snowboard.
